

The New Equality ACT is a Big Thing.

Conforming to it isn't.

Diversity Online is a powerful E-Reference tool which is helping Public & Private Sector organisations mainstream Equality & Diversity and comply with legislation.

Diversity Online:

- Equips managers with the knowledge and confidence to deal with equality issues before they escalate
- Access immediately useable practical content
- Helps to reinforce training & awareness of Diversity
- Creates a one stop central hub of diversity and equality information helping to mainstream internally
- Measures activity and highlights areas for concern
- Facilitates more effective team working
- Delivers individual rights and responsibilities in an understanding way
- Reduces the risk of tribunals and legal action
- Helps improve an organisations compliance with the Equality Act 2010
